U.S., Britain Merge Airlift Task Forces

Russians Stage Drills Near Berlin

Berlin, Oct. 15—(AP)—The United States and Britain combined their airlift task force under American command today while Russian guns rumbled in war practice within earshot of Berlin.

U. S. Air Force headquarters at Wiesbaden announced the signing of an agreement to put all airlift operations under the command of Maj. Gen. William A. Turner who flew war supplies over the Himalayan "hump" from Burma to China.

The effort to feed Berlin henceforth will be known as the "combined airlift task force." The agreement was signed by Lt. Gen. Curtis E. LeMay, U. S. air force commander in Europe, and Air Marshal Sir Arthur P. M. Saunders, commander in chief of British air forces in Germany.

Tanner Will Head Operations

Turner, who commands American airlift planes, will have operational but not administrative control of the British airlift. He will have headquarters in Wiesbaden. His British deputy, Air Commodore J. W. F. Merer, will have a base at Buckeburg in the British zone.

The U. S. air force said the merger was intended to coordinate American and British resources so as to put them to more efficient use.

Gen. Lucius D. Clay, American military governor, commented that the team-up was merely history repeating itself. He said he did not doubt it would work harmoniously because "we learned to work so closely with the British during the war."

Russ Tanks Maneuver

A British officer at Gatow airport on the western outskirts of Berlin said he believed the Russian gun-fire came from tanks engaging in maneuvers and was about three miles away. The cannon shots shook windows at the airport.

A senior American military officer declared the firing definitely was not from anti-aircraft guns. He identified its sound as ground artillery fire. The firing lasted more than half an hour.

A U. S. military government officer, was disclosed today to have predicted in an official report that Russia may "fight rather than compromise" in her drive to Sovietize Europe.

The officer, Louis Glaser of Washington, D. C., and Brookline, Mass., wrote the report when he left for the United States recently after three years as chief of the political affairs division here.

He said the Russians "regard Berlin as the keystone" of their Sovietizing campaign and their blockade as a principal part of their plan.

Hang Germans For Wartime Slaying Of U.S. Airmen

Munich, Germany, Oct. 15—(AP)—Ten Germans were hanged today for the wartime killing of unarmed American fliers and concentration camp inmates.

They were obscure killers whose names on the war crimes list were overshadowed by such major offenders as Hermann Goering and Joachim von Ribbentrop.

Tried more than a year ago before an American war crimes court at Dachau, their sentences were reviewed and approved by Gen. Lucius D. Clay, U. S. military commander in Germany.

They were led from their cells one at a time to the courtyard of Landsberg prison, where the gallows were erected.

"Long live Germany!" shouted one as the noose was thrown around his neck. The others died "without incident," the army reported. Each hanging took about 10 minutes.

Firm Pays \$20,000 For Eddy Howard Master Records

Chicago, Oct. 15—(AP)—Eddy Howard's master records—from which the detail discs are cast—brought \$20,000 today.

The band leader's records were part of an auction of Majestic Records, Inc., defunct subsidiary of the Majestic Radio and Television Corporation. The parent company is under bankruptcy proceedings, and had been ordered to divest itself of the record company.

Howard's master recording was part of a purchase by the Mercury Records Corporation. Mercury bid \$142,000 for the assets of Majestic records.

Truman Says Republicans Failed To Block Inflation

Indianapolis, Oct. 15—(AP)—President Truman said tonight Republican firemen have been too busy playing "political checkers" to put out the threatening flame of inflation.

And on improving the Social Security System, Mr. Truman accused the GOP of congressional arson.

"The Republican firemen," he said, "not only failed to turn out the hook and ladder. They actually set fire to a couple of houses."

"They struck nearly a million Americans off the Social Security rolls; and their fire chief now says he is proud of them."

In an address prepared for delivery at the Indiana war memorial, Mr. Truman put new emphasis on campaign points he had made before:

That the communists "are doing

all they can in this election to bring about a Republican victory."

That the people can expect a Republican president and congress to take them "headlong back down the road that led to the great depression."

Evidently, he said, he has offended "the Republican gentlemen who want to be president" by talking about depressions.

"You remember the old saying," he added, "don't talk about rope in the house of somebody who has been hanged."

The President's address was the last major speech of a 3,500-mile midwestern campaign swing.

The forum was a platform on the steps of the war memorial, facing a plaza in the heart of the city.

Mr. Truman had spent the day stumping the Hoosier State and taking political pokes at Republican candidate Thomas E. Dewey and House Republican leader Charles Halleck of Indiana.

Dewey was an old target. Halleck a new one. Mr. Truman said Halleck "faces backwards instead of forwards." He said personally he likes "Charlie" but "politically I like to put him out of business."

The Republican party, he said, favors the interests of a "few small, powerful business groups at the expense of the rest of the people" and this is the course that leads to depression.

Mr. Truman said he had been

Barkley Supports Repeal Of Taft- Hartley Law

Kansas City, Kans., Oct. 15—(AP)—Extension of Social Security benefits to farmers and repeal of the Taft-Hartley labor law topped a farm-labor program outlined tonight by Senator Allen W. Barkley.

The Democratic vice presidential nominee enunciated his party's "basic" goals for farmers and working men in speeches at Kansas City, Kans., and St. Joseph, Mo.

Earlier in a speech at Columbia, Mo., he called upon Gov. Thomas E. Dewey, GOP presidential nominee, to state publicly his position on federal aid to education.

"The farmer," Barkley said in a speech written for delivery at St. Joseph, "always bears the brunt of economic recession" and "is the first to feel the effects of recession and is the last to recover."

The farm policy of the Republican party, he declared, "would neither protect the gains of the last 16 years nor provide adequate growth in the future."

He said the party's policy was to

Avert Threatened Strike Of Illinois Phone Workers

Chicago, Oct. 15—(AP)—A wage dispute which for a time threatened to cripple telephone service in downtown Illinois and northwestern Indiana was settled tonight.

Commissioner Blake C. Smith of the federal mediation and conciliation service said representatives of Illinois traffic division 14, communications workers of America, and the Illinois Bell Telephone company had signed an agreement granting wage increases ranging from \$1 to \$4 a week to more than 11,000 union members.

Blake and Robert L. Gordon, director of the Illinois Department of Labor, who were instrumental in effecting the settlement, said the agreement provided also for an increase in night differentials and correction of certain wage inequities. The union had asked a six dollar weekly increase.

The agreement was signed by Mrs. Anne C. Benscoter, president of division 14, CWA and A. F. Stephenson, general traffic manager of Illinois Bell.

Henry Wallace Fears Bipartisan Political Machines

Chicago, Oct. 15—(AP)—Henry Wallace said tonight that "bipartisan political machines" are "dangerous and subversive" and are increasing their power in America.

In a speech prepared for delivery at Sokol Chicago Hall, the third party presidential candidate said these Republican-Democrat machines operate on a national, state, county, and city level, that they are "corrupt," that they are in "cohorts with crime and graft" and are "utterly cynical and sinister."

Wallace particularly attacked the two old parties in Illinois. He said they have kept his Progressive party off the ballot in this state because it threatened their power.

"The Progressive party," Wallace said, "is going to be the strongest political force in this nation, and it is going to end political corruption in Illinois."

Spanish-American War Veteran Foils Bank Robbery

Pittsburgh, Oct. 15—(AP)—A 73-year-old Spanish-American War veteran foiled a bank robbery today by "throwing a police lock" on a man who tried to make off with a \$760 payroll.

The suspect, Benjamin Husick, 37, of Squirrel Hill, was charged with attempted larceny before Justice of the Peace F. N. Megahan and was questioned by police and the FBI.

The elderly hero was Benjamin Hellings, a filling station worker. He said he was second in line at a window at the Wilkesburg First National Bank when he noticed there was no teller behind the cage.

"Next thing I saw," said Hellings, "this fellow in front of me moved the board away from the window. When he reached in and started to slide out several packages of bills, I threw a police lock on him."

Hellings was an industrial plant guard during World War I.

As he was treated at Columbia hospital for bruises on his neck and shoulders, Hellings commented:

"I didn't forget how to use that

hold but I did forget how old I was."

Declines To Tell If Greek Commies Killed CBS Writer

Athens, Oct. 15—(AP)—Justice Minister George Melas today ordered legal action against four Athens newspapers for publishing a purported solution of the murder of CBS Correspondent George Polk.

The government has banned publication of unofficial accounts about the case.

The newspapers all printed similar accounts and said the government would announce in Salonika Sunday that Greek communists killed Polk.

Melas confirmed that an announcement would be made Sunday. He said there was some truth in the newspaper reports but he declined to confirm or deny any specific details.

Polk's body with a bullet hole in the head was found floating in Salonika Bay May 16.

Move To Boost Production Of Uranium Ore

Washington, Oct. 15—(AP)—Important moves to boost the production of uranium, the raw material of atomic energy, in western states were announced tonight by the atomic energy commission.

It disclosed that it is negotiating with the Vanadium Corporation of America to buy uranium from two ore treatment plants which are to be brought into operation by the corporation next year.

As one result, the commission foresees a stimulus to prospecting and mining of the vitally important ores in the west.

Vishinsky Refuses To Enter Berlin Situation Debate

Paris, Oct. 15—(AP)—Andrei Y. Vishinsky today broke Russia's silence in the security council's Berlin debate—but only to slam the door in the face of six neutral countries pressing for an east-west compromise.

Rising dramatically in a tense council meeting, Vishinsky accused the neutrals of maneuvering to trap Russia into taking part in the debate by inviting him to answer questions.

"It is naive to believe that the Soviet Union will swallow this bait," he said. "No, gentlemen, we will not." argument that the council had no business discussing Berlin. Then he smiled at his aides, sat down and resumed doodling—his principal pastime during the verbal boycott.

Neutral Delegates Irate

The neutral delegates bristled. Council President Juan A. Bramuglia of Argentina tossed aside diplomatic niceties and with clenched fists told Vishinsky that he could not accuse the neutrals of double-dealing and "devious motives."

Vishinsky fidgeted. Later he said he was not apologizing but had not meant to reflect on the character of any delegate.

The other neutral countries—Canada, China, Colombia, Syria and Belgium—said they fully supported Bramuglia, who had acted as their spokesmen in contacting Russia and the western powers in mediation efforts.

A British spokesman said Vishinsky's speech slammed the door on mediation.

Vishinsky was prodded into breaking his Kremlin-ordered silence by Bramuglia's request that the four big powers answer questions on the Soviet blockade of Berlin and the direct negotiations in the Kremlin.

The U. S., Britain and France quickly agreed to submit additional information.

After the bitter exchanges, the council adjourned until next Tuesday with no positive indication of what would happen. Poland's Oskar Lange indicated to newsmen that Vishinsky would veto any decision the council might take contrary to Russian desires.

The upshot of today's meeting is that the east and the west are as far apart as ever on the Berlin case with each side sticking to old positions.

Education Cost Per Student In Illinois Sinks

Springfield, Ill., Oct. 15—(AP)—Illinois has slipped in the state rankings in per pupil costs in public schools, an education official said today.

In expenditures per pupil, Illinois ranked sixth among the states in 1945-46 and ninth in 1947-48, he said.

The comparison was made by Irving P. Pearson, executive secretary of the Illinois Education Association.

Writing in the organization's publication, Pearson said every grade and high school should be guaranteed a minimum of \$135 a pupil. This would come from state grants and local taxation.

Illinois currently guarantees up to \$90 per elementary pupil and \$100 per high school pupil in equalization payments. These payments provide special assistance to school districts whose maximum educational tax rate plus flat grants do not equal the \$90 and \$100 levels.

The state allows flat grants of \$22 per grade and \$7 per high school student.

Pearson did not recommend how much either flat grants or equalization payments should be increased.

He said that \$135 per pupil was the minimum needed to support a "good foundation program" in schools.

C. Hull Accuses Dewey Of Making False Claims

Washington, Oct. 15—(AP)—Former Secretary of State Cordell Hull accused Thomas E. Dewey today of making an "extravagant" claim of having originated the bipartisan foreign policy.

Dewey's claim, he said, is "incorrect."

Hull issued a statement quoting Dewey's Oct. 12 speech at Louisville, Ky., in which Dewey said:

"We have abandoned partnership to speak through a bipartisan policy. That was the great objective when I first proposed to Secretary Hull during the election campaign four years ago that we have cooperation between our two parties to win the peace. That was the beginning of our bipartisan foreign policy."

Hull said Dewey could "easily refresh his memory of what actually took place" by re-reading the newspapers of August and September, 1944.

SOUTH CAROLINIAN TO CZECHOSLOVAKIA

Washington, Oct. 15—(AP)—Joseph E. Jacobs, of South Carolina, a career diplomat, was given a recess appointment today as ambassador to Czechoslovakia.

Jacobs, a native of Johnston, S. C., who has been in the foreign service since 1915 will succeed Laurence Steinhardt, recently named ambassador to Canada.

I.T.U. Charges Labor Board Used Underhand Tactics

Washington, Oct. 15—(AP)—The AFL International Typographical Union today asked the National Labor Relations Board to withdraw its delegation of power to NLRB General Counsel Robert N. Denham to seek court injunctions in labor disputes.

A brief the printers union filed with the board charged that Denham has "utilized his delegated power to initiate injunction and contempt proceedings in a reckless and unprincipled manner."

Denham declined to comment on the union's statements.

Federal Judge Luther M. Swygert handed down a decision yesterday in Indianapolis holding the ITU in contempt of an earlier injunction.

This barred the ITU from continuing to propose contract terms to newspaper publishers seeking to preserve the now prohibited closed shop.

"Private interests rather than public interests have been the determining factors in the filing of injunctive and contempt actions," the ITU said today.

"Moreover, the motives which underlay the general counsel's action in seeking the contempt action (against the ITU) are not such as to reflect credit upon a representative of the public interest."

"It has been found by the president of the United States that the general counsel and his representatives were under undue pressure from a member of the United States senate to initiate the contempt proceeding, a member who was acting on the behalf of and at the instigation of interested newspaper publishers."

Army Tribunal Acquits Former Japanese Medie

Yokohama, Oct. 15—(AP)—Maj. Gen. Shoji Kono, former chief medical officer of Japan's eastern army in Tokyo, was acquitted by a U. S. army tribunal today of charges he failed to supply medical aid to American airmen tortured by the Kempeitai thought police.

Four of the thought police were convicted and sentenced to three and one-half years to life in prison for abusing 250 American fliers in 1944 and 1945.

A life term went to Lt. Toshio Toyama, convicted of causing a subordinate to kill William H. Osborne of Newton Upper Falls, Mass., by Potassium Cyanide injection in the spring of 1945.

Lt. Nogushige Wachi got eight years for forcing Cpl. Albert Lounsbury of 758 Montgomery street, Syracuse, N. Y., to stand for long periods on a broken ankle.

Lt. Col. Ramoto Fujino and Lt. Tsuneo Nemoto got five and three and one-half years, respectively, for miscellaneous abuses.

Police Find Escort Service Promotes Comedy

Detroit, Oct. 15—(AP)—Police think Detroiters are taking the commissioner's new "escort service" too seriously—and they don't think it's funny.

To combat sex crimes, police commissioner Harry S. Toy announced that women had only to phone a station and they would get a police escort home at night.

"Our first call was from a woman who wanted a scout car to drive her home," said one desk sergeant. "She had only a few blocks to go. Besides, it was broad daylight. And she was calling from a bar."

Another sergeant said he turned down two men who phoned and asked for policeman as escorts.

"They wanted blondes," he said disgustedly.

Russia Fires Meat, Dairy Minister

Moscow, Oct. 15—(AP)—The Soviet Union has fired its minister of the meat and dairy industry, apparently because he failed to fill his production quota.

Tass, the official Soviet news agency, said today the President of the Supreme Soviet has appointed Nikolai Ivanovich Smirnov to replace V. V. Vorobev in the post.

The announcement came after the central statistical administration reported that Vorobev fell nine percent below his quota.

Dewey Hit By Tomato

Governor Thomas E. Dewey speaks to a crowd at Mount Vernon, Illinois, with remnants of a tomato, thrown at him earlier in his speech, still visible on his suit. It is believed that a small boy hurled the missile. Mrs. Dewey stands beside the GOP presidential candidate on the train platform. (NEA Telephoto.)

Governor Asserts Demos 'Dealing' With Aggressors

St. Paul, Minn., Oct. 15—(AP)—Gov. Thomas E. Dewey, after accusing the Truman administration of "making trades with the forces of aggression," tonight called for a "vitalistic" foreign policy.

The Republican candidate for president also declared the Democrats had made "tremendous concessions" to those "forces" to "appease millions of people all over this world."

Dewey fired his charge in a speech at Owatonna, Minn., before beginning his campaign here for a major address prepared for delivery in civic auditorium at 8:30 p.m., central standard time. It was slated for broadcast nationally (CBS network).

At Owatonna, where a police-estimated crowd of 3,000 persons welcomed him, Dewey pledged to:

"Bring to our government a new sense of competence and vigor and integrity, to bring to it a consistent policy which will not do as this administration has done over the years—by wobbling from side to side, making trades behind its hand with the forces of aggression—making tremendous concessions to them."

Dewey aides said his reference to

"trades behind its hand" was an allusion to agreements made by President Truman at Potsdam in 1945, and not to recent foreign policy developments.

In his speech here tonight, Dewey promised that if he is elected in November, farmers will "get less" politics and more practical help in soil conservation—the help a grateful nation owes to them in the job of saving our land."

He Didn't Know "How Much"

"How much, I haven't any idea yet," Hoffman replied.

"I can say this—I think recovery has gone on in Europe to a point where we believe when we get these programs (estimates now being compiled by the Marshall plan countries in Paris), they will call for less, a smaller sum, than we have had this year."

Hoffman made his forecast at a news conference. A correspondent asked whether recovery costs for fiscal 1950—the year ending June 30, 1950—might be smaller than this year's \$5,555,000,000.

Hoffman replied: "I think recovery has gone on in Europe to a point where we believe when we get these programs (estimates now being compiled by the Marshall plan countries in Paris), they will call for less, a smaller sum, than we have had this year."

Government Names Plumbing Firms In Anti-Trust Suits

Philadelphia, Oct. 15—(AP)—Ten of the nation's largest plumbing manufacturers were accused in three anti-trust suits brought by the federal government today in connection with the U. S. investigation "into the high cost of housing."

The concerns were charged with arranging tie-in sales of brass fittings as a prerequisite to the purchase of bathtubs, sinks, lavatories and other bathroom equipment.

W. Wallace Kirkpatrick, special assistant to Attorney General Tom Clark, said the action was taken in U. S. district court here because of "the tremendous expansion of housing in the eastern Pennsylvania area."

Shuffleboard Firm Charges Police Hinder Sales

Chicago, Oct. 15—(AP)—A Shuffleboard manufacturer today asked a court to prevent Chicago police from interfering with the sale and installation of its devices.

The Standard Shuffleboard League, Inc., makers of the Rockola Standard Shuffleboard, filed an injunction suit in Circuit Court.

The firm charged that police have threatened to confiscate all shuffleboards found.

Shuffleboards are games of skill and amusement, the firm contended. They do not come under the "bagatelle and pigeonhole games" ordinances of Chicago as police contend, it added.

Because of police interference it has become impossible to sell shuffleboards to churches, private individuals, hospitals and clubs, the company stated, adding that its \$250,000 investment is in danger.

FIND BODY OF IOWA MAN IN LAKE MICHIGAN

Chicago, Oct. 15—(AP)—The body of a man recovered from Lake Michigan Oct. 9, was identified today as that of Henry A. Scheetz, 79, of Muscatine, Ia.

Identification was made by his sons, Harold and Herbert, of Muscatine. Contact with the two sons was established through letterheads of the Beach Lumber and Supply Co., found in the elder Scheetz's pockets.

The sons were unable to account for the father's presence in Chicago.

Doesn't Mean Taxpayers To Be Relieved

Washington, Oct. 15—(AP)—A cut in America's burden of recovery aid for Europe was forecast today by Paul G. Hoffman, economic cooperation administrator.

Hoffman's prediction was based on this year's economic gains in war-devastated nations of Europe.

But other U. S. officials, having in mind proposals for a new lend-lease program to rearm western Europe, were not hopeful of any boon to taxpayers in the form of an over-all cut in foreign spending.

In fact, budget bureau and treasury officials said privately that if cold-war tensions cause congress to vote military aid, next year's foreign spending might top this year's total of more than \$7,000,000,000.

Even without the lend-lease plan this country's 1950 budget may hit \$45,000,000,000—a new peace time record—because military outlays are climbing toward a probable total of \$14,000,000,000. They now account for \$12,000,000,000 in a \$42,200,000,000 budget.

Hoffman made his forecast at a news conference. A correspondent asked whether recovery costs for fiscal 1950—the year ending June 30, 1950—might be smaller than this year's \$5,555,000,000.

U.S. Engineer Says Atom-Driven Plane Perfected

Baltimore, Oct. 15—(AP)—An Oak Ridge engineer says the theory of an atom-driven airplane is 99 per cent perfected.

David M. Poole reported to the Baltimore Society of Automotive Engineers that the job is now up to the slide rule men with their drawing boards and working models.

The scientists have thought out a way to tap the power of the atomic pile, he said. Now the engineers must make the idea work. They must design and build the engine, the plane, the controls, and the protection for pilots and crew.

Poole is a member of the "nuclear energy for the propulsion of aircraft" project at Oak Ridge and head of its thermodynamics (heat problems) group.

The big thing about an atom-powered plane, Poole said, is that in theory at least it could go on flying forever.

"The time has come," he said, "when we can no longer afford not to have atomic aircraft."

A PRESIDENTIAL PENSION

Senator Bob Taft's suggestion of a \$25,000-a-year life pension for our former presidents will find favor, we believe, with a majority of the American people, including a former Missouri haberdasher who is well liked even by many persons who will never vote for him.

No one knows better than Taft the penalties of courageous public service. His dream of the presidency was shattered because he did what he thought proper in regard to labor. Perhaps he feels a little kinship with Mr. Truman a man who works 15 hours a day at his job and seems likely to be fired as his reward.

Mr. Truman has saved very little from what he is paid to perform the most important job in the country. When he finally leaves the White House he will be fortunate to have his health. He is past middle age. It would be a decent public gesture for Congress to adopt Mr. Taft's suggestion.

FEET ON THE GROUND

(Cedar Rapids Gazette)

There should be more people in this world with a philosophy like Walter Pearson of Scranton Pa. Perhaps there are. Perhaps we don't have the opportunity to learn about them because there are so few uncles like Pearson's.

Pearson is the truck driver whose Canadian uncle left him an inheritance of \$363,000 and a 14-room mansion, among other things.

Now, many men left an inheritance of that size would throw up their work and live the life of Riley. But not Pearson. He says he'll keep right on driving his truck. "A man has to keep working to be happy," he said, upon learning of his good fortune. "I don't think a man can buy happiness."

Of course no one can buy happiness, even though a \$363,000 fortune admittedly, might go a long way to help. But too few of us recognize that when we come by an unexpected windfall.

Pearson has his feet on the ground, at the moment anyway, and it's our hope that he doesn't let the inherited fortune give him a single moment of unhappiness.

The American Legion Sets A New Goal

By Hal Boyle

New York —(P)—The American Legion, which opens its 30th national convention in Miami Sunday, has set the most ambitious goal of its history for 1949—5,000,000 members. The campaign is being undertaken in the face of a post-war slump in membership which has affected all organizations of war veterans.

The Legion now has a record number of posts—more than 17,000—but its membership as of Oct. 8 was 3,065,514, compared with 3,249,303 a year ago.

Legion officials believe the decline is only temporary, paralleling a similar drop that overtook the organization after the first world war. With interest in national defense rising and millions of veterans of the second world war as potential members, the Legion sees a period of rapid growth and increasing influence ahead.

Women Playing Large Part
Significantly, women are playing a larger role in its activities. The 3,000,000th member enrolled in 1948. Today there are more than 250,000 former Waves, Wacs, Spars and nurses in the Legion. There are some 203 all-women posts—but most of the girls prefer to join up with "co-ed" posts.

The Legion, the largest but neither the first nor the last association of war veterans in American military history, was conceived three decades ago in Paris by two wounded soldiers—an officer and an enlisted man.

They were the late Theodore Roosevelt, Jr., then a Lieut. Colonel in the First Infantry division, and Sgt. William Patterson. They agreed that as soon as the war was over they would return home and work together to start a veterans' association "for the good of the country."

Patterson Killed in Action
Patterson returned to his outfit and was killed in action. But "young Teddy," who was to die a Brigadier general in France in the second World War, carried out the project.

An early hurdle overcome by the Legion was the fear by many enlisted men that it would become "an officers' club" and an instrument for those seeking political office. It specifically proclaimed it would be non-political in its act of incorporation.

Chary of bestowing titles, it has had only two honorary national commanders—General John J. Pershing and Marshal Poch of France.

The Legion from its start has been active in the rehabilitation of veterans, child welfare and community improvement projects. Under its program "to foster and perpetuate a one hundred per cent Americanism," it also has plumped for a well-armed nation and universal military training in peacetime. It supports the

Mundt-Nixon bill in its fight against Communism.

Legionnaires are proud that between 1925 and 1944 they helped raise and spend \$53,000,000 for the care of some 6,749,000 children; that more than 250,000 high school students competed in its 1948 national oratorical contest; that a million kids each year participate in the American junior league baseball program; that 24 graduates of this program played in the All-Star game between the American League and the National League.

The Legion, now thirty years old, feels its roots go deep into the American way. It feels it is going to be around for a long time. It says: "The American Legion looks forward to another generation, at least, of continuous useful contribution to American life and American public opinion, and it is shaping its plans in accordance."

Arenzville Club Members Decide To Hold Minstrel

At their first meeting of the year, held Tuesday with Mrs. Arthur Kleinschmidt, members of the Arenzville Woman's club voted to have a minstrel in the near future. Mrs. Hal Johnson was appointed to have charge of this project, the proceeds of which will be used to purchase a sink for the Legion hall.

The meeting was opened by the president, Mrs. Delmos Hierman. Reports were given by the secretary and treasurer and several communications were read. Roll call was answered by 20 members naming their favorite flower and introducing their guests.

The program, which was in the charge of Mrs. Brooks Brockhouse,

included group singing of "Illinois" and a talk on "The South" by Mrs. Frances King, Cass county home adviser.

Refreshments were served from a table decorated in keeping with the Halloween season, with Mrs. Brooks Brockhouse and Mrs. Delmos Hierman pouring.

Guests were Mrs. Frances King, Mrs. Harold Kruse, Mrs. Lucille Hansemer, Mrs. Charles Zulauf, Miss Mary Louise Lutkehus, Miss Potter, Mrs. Hodge Clark, Mrs. Jennie Peck and Mrs. Inez Dahman. Mrs. Kruse became a member at this meeting.

Schools Visited
By Assistants
From State Office

Assistants from the office of the superintendent of public instruction, Vernon L. Nickell, have completed their annual three-day visitation to many of the schools in this area.

Special emphasis was placed on visiting the newly-formed community unit district. The visitors sat in on classes, visited the attendance units and conferred with teachers and principals.

Before the conclusion of the tour many favorable comments were heard. The assistants will prepare two written reports, one to be sent to the school they visited and the other to County Superintendent of

Schools John C. Deem, who conducted the group on the tour.

Included in the group were M. M. Crut, Otis Keeler, Robert Ring, John Price, Lewis Hollmeyer, Miss Catherine Parks and George Mathias.

Schools visited were Alexander, Franklin and Nortonville, Community Unit No. 1; Arenzville, Concord, Chapin and Meredosia, Community Unit No. 27; Woodson Grade school; Jacksonville High school; Routh High school; Illinois School for the Deaf; and Illinois School for the Blind.

Asks Injunction

A drainage dispute between two adjacent land owners reached circuit court when Bernard J. Stenemeyer filed suit against William Kloppe, seeking an injunction and asking \$5,973.30 damages to crops.

Stenemeyer claimed in the suit that Kloppe has plowed dirt, deposited debris and placed artificial obstructions in a natural water course, causing excess surface water to back up on the plaintiff's land.

In seeking an injunction the plaintiff asked that the defendant be ordered to remove obstructions from the water course and restore it to its natural depth.

Wilson & Wright are attorneys for Stenemeyer.

Supt. Fitzhugh Is
Elected To Board
Of Association

Franklin — Superintendent Harry L. Fitzhugh of Community Unit School District No. 1, Morgan County, has been elected a member of the board of directors of the Illinois High School Association.

The board supervises and controls all Illinois high school interscholastic competitions, such as those in music, speech, dramatics, and sports. It is made up of six members, each of whom represents one of the six divisions of the state. Mr. Fitzhugh represents Division Five, which comprises 20 counties and includes about 140 high schools.

Martha Smith, Anne Sweet, Marilyn Chance, and Naomi Newingham, officers of the Franklin Chapter of F. H. A., represented the chapter at the House of Delegates, which met at the Abraham Lincoln Hotel in Springfield on Saturday, October 9. Mrs. Ted Fairburn, their sponsor accompanied the girls. Mrs. Leroy Sweet, local chapter mother, was elected sectional mother, and her daughter Anne, local chapter historian, was elected vice president of Section Seven.

Charles Wood, Retired Farmer, Dies Thursday

Charles Wood, a retired farmer of the Pisgah community and a former resident of this city, died Thursday at 11:30 p. m. in Peoria where he had been making his home with a son.

Mr. Wood was born in the Pisgah community on Sept. 20, 1864, the son of Iven and Mary Ellen Wood. He was united in marriage to Euphie Hubbs on June 11, 1885, and to this union were born five children, two of whom, Everett and Ernest, are deceased.

His wife died on Aug. 10, 1945, after which Mr. Wood left this city, where he was residing on West Greenwood avenue, and went to Peoria.

He is survived by two sons, Otto of Peoria and Leonard I. of the Pisgah community; one daughter, Miss Bernice Wood of Washington, D. C.; thirteen grandchildren; two brothers, Arthur Wood of Indio, Calif., and Homer of Pisgah; and two sisters, Mrs. Minnie Harcourt of Pisgah and Mrs. George Hardwick of Jacksonville.

For many years, Mr. Wood was a member of the Union Baptist church at Pisgah. Upon moving to Jacksonville he transferred his membership to the First Baptist church.

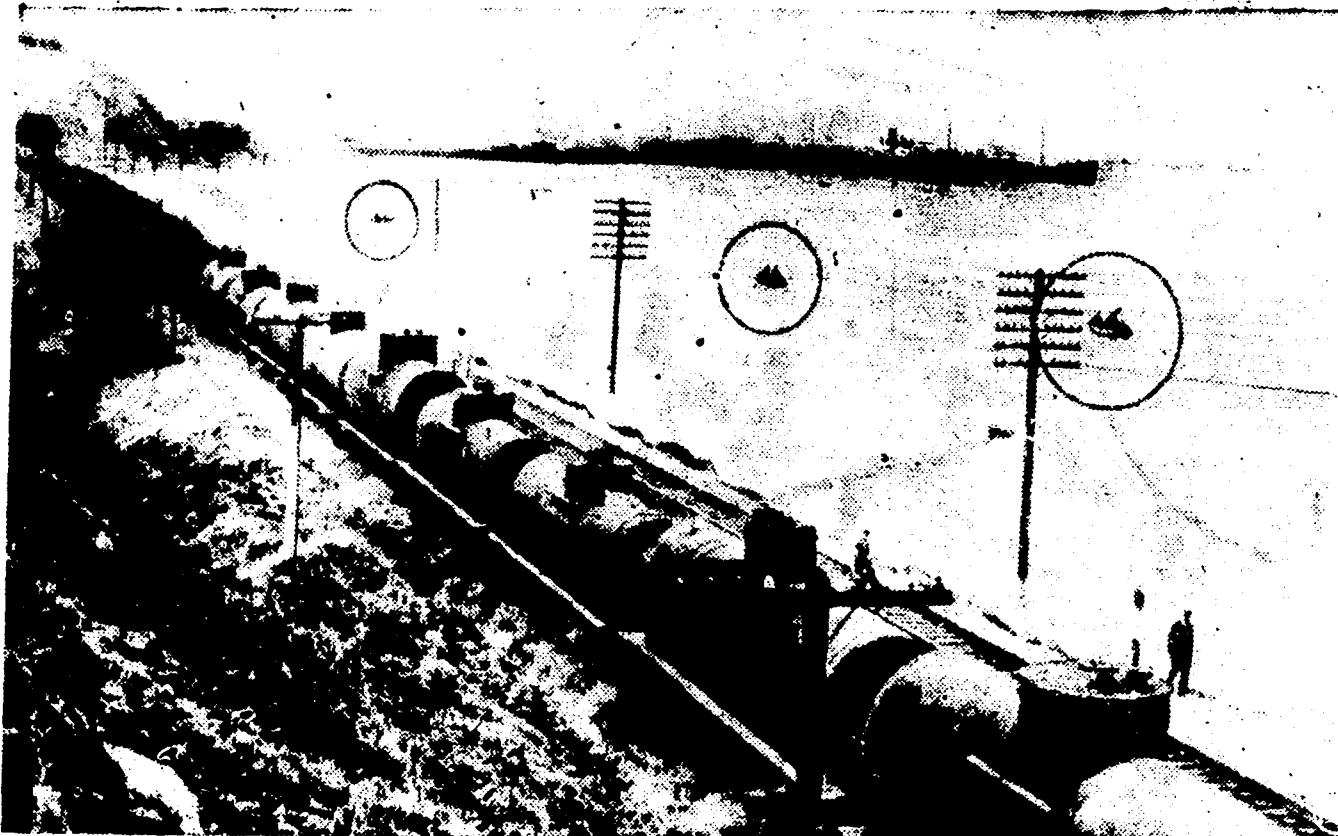

Funeral services will be held Sunday at 2:30 p. m. at the Williamson Funeral Home. Interment will be in Union cemetery at Pisgah.

The family will receive friends at the funeral home Saturday from 7:30 to 9:30 p. m.

Regional Quartet Contests Sought For Jacksonville

Jacksonville barber shop quartet singers have placed their bid with national headquarters for the regional preliminary contests to be held April 30 and May 1.

Should the Jacksonville Chapter of SPEBSQSA succeed in landing the role as sponsor for the regional contests, at least 30 competing quartets and 1,000 visitors would come here for the event.

"It is by no means assured that Jacksonville will be selected, but our bid is now in," an officer of the chapter said Friday. He pointed out that some of the finest quartet talent in the country will attend the two-day regional contests, where ever they are held.

The Jacksonville chapter members entertained their ladies and friends at the Farm Bureau hall with 80 persons in attendance. A pot luck supper was served at 7 o'clock, after which there was a business session and entertainment.

In event the regional contests are assigned to Jacksonville, the Corn Belt chorus of more than 200 voices would be presented on both days. The Corn Belt chorus is one of the largest in the country, representing eleven cities. It is directed by John Hanson of Peoria, arranger and coach of many professional quartets.

Those horrendous New Year's Day pastings dealt UCLA and Southern California by Illinois and Michigan have early this fall been followed up by four more licks. Northwestern repeated over UCLA by considerably more of a margin. Minnesota jolted Washington. Held scoreless until mid-way in the second period, California was forced to take to the air for its first score against Saint Mary's. This one didn't work, however, the ball eluding the outstretched arms of the Bears' Tim Minahan, left, and the Gaels' end, Tony Kotowski. The Bears prevailed in Berkeley, 20-0.

commented on the ease with which the home guards were tricked. It easily could be the coaching. It is quite possible that the far west could use another group of Dobies.

Howard Jones, Warners, Bezdek, Dietz, Andy Smiths and Hollings, the drill-masters under whom it attained its dizzy heights.

Oregon is regarded by many as the coast's outstanding team, but it's only consolation as Michigan swept to its 16th straight was that its widely-heralded passer, Norman Van Brocklin, lived up to advance notices.

With Pete Elliott directing, the Wolverines haven't the attacking team they owned last autumn, but they have two corking defensive units.

Against Southern California, Wes Fessler further demonstrated that he has brought Ohio State a long way along the comeback road.

Purdue being shut out by Northwestern, 21-0, additionally illustrated

why coaches insist on playing Notre Dame in their final game or not at all. Otherwise they lose to the Irish and on the next Saturday afternoon, too.

It was something, however, for the Wildcats to whitewash the Boilemabers who scored 27 points on the Micks. Even more remarkable were backer-up, center Alex Sarkisian and fullback George Sundheim, applying such pressure that the extraordinary Bob DeMoss did not complete a pass in 13 attempts and had five intercepted.

Regardless of the shape in which the Celts left the highly-regarded Purdues, the Wildcats step 'way up. And did you notice that Michigan's spinner attack, installed by Art Valpey, works at Harvard, too? Especially now that the Crimson has something to go with Chip Gannon.

Blueboys Lick Eureka Red Devils 26-7; Crimsons Lose

Hilltoppers Repulse Undefeated Invaders With Strong Attack

Savage, shaking tackling and blocking was the key to Illinois college's success last night as the Blueboys presented a well oiled offensive machine which brought a quick stop to Eureka's winning ways, 26-7, on the Jacksonville high school gridiron.

The I.C. success, the hilltoppers' fourth in as many games, featured so many sparkling exhibitions that so individual star could possibly be picked. The one factor which thoroughly satisfied the large, partisan crowd was the remarkable improvement the Blueboys have shown in the short space of two weeks.

Almost Shutout

Had it not been for a 33-yard pass late in the second quarter, the only aerial which the Red Devils completed for any sizeable yardage, the combat, billed as a battle between two well-matched eleven's, might well have been a shutout and a complete rout.

Illinois college controlled the ball practically all the way. The Blueboy attack was unyielding; in fact, devastating. The hosts left no doubt about their superiority. Even with I.C. reserves on the field in the fourth quarter, the Jacksonville team's line was shedding Eureka runners with regularity.

Three Weapons

Three distinct offensive weapons were utilized by the hosts in chalking up six touchdowns, two of which were called back. First, and most thrilling to watch, was the break-away running of Art Wilson, Quincy negro scat-back, who looked like a modern version of Illinois' U's fabulous Buddy Young. Second, equally encouraging to the defenders, was the hilltoppers' punting attack, with Bob Grove, Joe Hill and Bob Scheller all trying their hand at launching the aerials. Third was the crushing line plunging of Joe Hill and Bill Gross, who smashed through the Red Devil forward wall for repeated gains of from four to six yards.

Line Plays Excellent

Sharing in the glory in every way was the I.C. line. Sam and Jim Spink, Jacksonville, co-captains, George Florence and Paul Lasley, guards from J.H.S., and Charlie Due, a former Crimson end, all started, and thrilled the crowd with their superb play. Ray Paxton and Gerald Lachinski, centers, and Don Longer, towering Danville end, also were outstanding. Add to that a host of smooth-working subs, and it's easy to see why the forward wall functioned so well.

Lasley wasn't called upon for too much punting, but each time he kicked he showed ability to give the opposition a setback. Once, late in the game when Lasley was watching from the sideline, Joe Hill dropped back to boot. He responded with another booming, end-over-end punt.

Ready For Wesleyan

All in all, the Blueboys served notice on the crowd, "Brick" Young, Bloomington official, and several Illinois Wesleyan scouts, that the hosts will be ready in next week-end's crucial homecoming game here with the Titans.

It wasn't long before I.C. let loose its lightning. Working the ball to midfield after taking the kickoff, the westenders released Wilson over left tackle. The diminutive speedster got past the line of scrimmage, reversed his field and went all the way for a TD. The play was called back to the Eureka 25 by a clipping penalty and the Blueboy offense stalled momentarily.

Wilson Goes Again

After getting only one first down, the Red Devil quick-kicked out of bounds on the I.C. 40, and the Blueboys were off again. Taking the ball on the 37 after one play had lost ground, Wilson again went all the way to the goal line. This time it was charged he stepped out of bounds on the Eureka 24.

But the hilltoppers were not to be denied their tally. After Hill had picked up five yards over the left side of the visitors' line, Grove chucked a pass to Gross, the play working for 19 yards and the first score which counted. Wilson's kick for extra point was carried wide by the strong wind.

I.C.'s Second Tally

It was all I.C. again in the second quarter. Strubhar, all-conference fullback of the Red Devils, was laid low by Due on a tackle on the Eureka 42. Gross recovered the star's tumble and the hosts were off again. A steady drive moved the Blueboys to the one-yard stripe, from where Gross plunged through the center of the line on fourth down. Wilson's conversion attempt was wide by inches.

Making use of the one long aerial, which, for once, caught the I.C. defenders napping, Eureka moved into scoring territory late in the period. The visitors flashed their best form for brief minutes, but long enough to count on Spinder's 4-yard run through the right side of the I.C. line. Creed kicked the extra point to leave it 12-7 at halftime.

Second Half Attack

Only a few minutes passed in the second half before the charges of Coaches Al Miller and Joe Brooks were knocking on the Eureka touchdown door again. This time the honors went to Wilson on a 6-yard run over I.C.'s right tackle. Grove passed to Longer for the extra point.

The last touchdown for Ole Illinois came later in the same period, after Eureka had been forced to punt. Wilson, Hill and Gross took turns running until Grove chucked again to Gross 12 yards away in the end zone. Grove's pass to Longer clicked for the extra point and the last point of the game.

I.C. reserves were used freely in the final stanza.

Pittsfield Blasts Pleasant Hill Team 39-0 In Ivy Game

Pleasant Hill — Pittsfield high school gridriders duplicated their 1947 victory over Pleasant Hill here Friday afternoon, winning an Illinois Valley conference game by an identical 39-0 score.

After a 0-0 first quarter in which Pleasant Hill stood off the powerful visitors, the Saukees caught fire and showed over six tallies.

Dewey Davis, Pleasant Hill tackle who suffered a broken nose in the Carrollton game last week, received an arm injury this afternoon. It was not immediately known if the member was broken.

One of the longest runs of the game was made by Pleasant Hill's Anderson, who dashed 45 yards off tackle.

Bob Kittleman, Pittsfield back who was knifled at Greenfield last week, didn't play Friday. The Indian mentor, Glen Smith, is more concerned than ever over his star's condition and additional x-rays were taken Friday of his injured ankle.

Line Plays Excellent

Sharing in the glory in every way was the I.C. line. Sam and Jim Spink, Jacksonville, co-captains, George Florence and Paul Lasley, guards from J.H.S., and Charlie Due, a former Crimson end, all started, and thrilled the crowd with their superb play. Ray Paxton and Gerald Lachinski, centers, and Don Longer, towering Danville end, also were outstanding. Add to that a host of smooth-working subs, and it's easy to see why the forward wall functioned so well.

Lasley wasn't called upon for too much punting, but each time he kicked he showed ability to give the opposition a setback. Once, late in the game when Lasley was watching from the sideline, Joe Hill dropped back to boot. He responded with another booming, end-over-end punt.

Ready For Wesleyan

All in all, the Blueboys served notice on the crowd, "Brick" Young, Bloomington official, and several Illinois Wesleyan scouts, that the hosts will be ready in next week-end's crucial homecoming game here with the Titans.

It wasn't long before I.C. let loose its lightning. Working the ball to midfield after taking the kickoff, the westenders released Wilson over left tackle. The diminutive speedster got past the line of scrimmage, reversed his field and went all the way for a TD. The play was called back to the Eureka 25 by a clipping penalty and the Blueboy offense stalled momentarily.

Wilson Goes Again

After getting only one first down, the Red Devil quick-kicked out of bounds on the I.C. 40, and the Blueboys were off again. Taking the ball on the 37 after one play had lost ground, Wilson again went all the way to the goal line. This time it was charged he stepped out of bounds on the Eureka 24.

But the hilltoppers were not to be denied their tally. After Hill had picked up five yards over the left side of the visitors' line, Grove chucked a pass to Gross, the play working for 19 yards and the first score which counted. Wilson's kick for extra point was carried wide by the strong wind.

I.C.'s Second Tally

It was all I.C. again in the second quarter. Strubhar, all-conference fullback of the Red Devils, was laid low by Due on a tackle on the Eureka 42. Gross recovered the star's tumble and the hosts were off again. A steady drive moved the Blueboys to the one-yard stripe, from where Gross plunged through the center of the line on fourth down. Wilson's conversion attempt was wide by inches.

Making use of the one long aerial, which, for once, caught the I.C. defenders napping, Eureka moved into scoring territory late in the period. The visitors flashed their best form for brief minutes, but long enough to count on Spinder's 4-yard run through the right side of the I.C. line. Creed kicked the extra point to leave it 12-7 at halftime.

STRENGTH IN WHEAT AIDS OTHER GRAINS IN SCORING GAINS

Chicago, Oct. 15.—(P)—Wheat pushed ahead for gains ranging to more than 2 cents at times on the Board of Trade today.

Strength of the bread grain helped the rest of the market, but corn could not make much of a gain.

Cash dealers reported corn bookings exceeded 200,000 bushels. In the spot cash market old crop No. 1 yellow corn sold at \$1.55 to \$1.56 compared with a range of \$1.58 to \$1.65 yesterday.

Lard made a brisk advance following confirmation of yesterday's reports the Army was seeking cash lard.

The strength in wheat was based on reports of sales of flour to the Production and Marketing Administration and the Army.

Receipts included: wheat 22 cars; corn 145; oats 20; rye 7; barley 24 and soybeans 56.

Wheat closed 14-1/2 higher, December \$2.27 1/2, corn was unchanged to 1 cent higher, December \$1.40-1.41, oats were 1/2 lower to 1 higher, December 74 1/2, rye was 1 to 1 1/2 higher, December \$1.70 and soybeans were 2 1/2 lower to 2 1/2 higher, November \$2.41-2.42, and lard was 50 to 80 cents a hundred pounds higher, October \$19.55.

Jerseyville Beats Winchester Team In 20-6 Melee

Jerseyville.—(Special)—Winchester, the only team which has been beaten in three starts this season, Jerseyville Panthers this season, proven troublemakers again Friday night, but the locals flashed their power for a 20-6 victory.

This game, the second between the two clubs, counted in the Illinois Valley conference standings and left Jerseyville's record unmarked.

The Panthers had two first period tallies called back before Bailey rushed 17 yards around right end to count. Davis passed to Waggoner for the extra point.

The Wildcats came back strong and chalked up a marker of their own in the second period. A 54-yard drive was climaxed by Stuart's scoring run off tackle for four yards.

A plunge for the extra point was stopped short and Jerseyville left the field with a 7-6 halftime advantage.

The Panthers chalked up additional markers in the third and fourth quarters to win going away.

Bell tallied first on a 1-yard plunge which climaxed a 41-yard drive. A pass for extra point was incomplete.

Bridgewater set up the fourth period score by batting down a pass attempt on the Winchester 16-yard line and recovering the ball. Bailey finally scored on a 7-yard run and kicked the extra point.

Bridgewater was hurt late in the game, but the extent is not known.

Alexander Leads Glendale Open

Glendale, Calif., Oct. 15.—(P)—Young Skip Alexander of Lexington, N. C., fired a seven-under-par 65 today and moved into the lead at the halfway mark of the \$15,000 Glendale Open golf tournament.

Leaving co-favorites Lloyd Mangrum and Ben Hogan to tie for the runner-up position at this stage of the 72-hole tournament, the long-hitting ex-Duke University golf captain uncorred seven threes in succession on the back nine to post a 36-hole score of 70-65-135.

His 65 established a new course competitive record for the Oakmont Country Club's layout of par 36-36-72.

Two strokes back after today's finish were Mangrum, with a 71 to go with his first place 66 yesterday, and Hogan, with a 68 added to his previous 69—both for 137 bolts.

Penny supper will be served

ISD Faces Wisconsin In Tiger Homecoming Feature On Saturday

Homecoming activities at I.S.D. include the Friday night bonfire, movie and reception and Saturday's game and dance, featuring the crowning of the queen. The visiting team arrives Friday evening.

Bill Milligan, former Illinois School for the Deaf coach, is now superintendent at Wisconsin S.D. He won't be able to accompany the team here because of an administrators' meeting in Minnesota. However, his wife and children will probably journey down.

Not only will a host of I.S.D. grads be here; but Wisconsin is expected to bring a sizeable bunch of rooters.

Has Good Club

Coach Yates expects his 1948 edition to give the returnees something to see. He's sure that the fine I.S.D. line and backfield, although light, will give a good account of themselves.

Billy Yates, quarterback, and Stanley Kwiat, fullback, are the I.S.D. standouts, but David Early and Alta Hood, the two halfbacks, have also looked good.

In the fast, mobile forward wall, Yates will use Zuzak and Villani at ends, Carlstedt and Hoffman at tackles, Marsala and Leiberger at guards and Tuchman at center.

Officials for the fray will be Clyde McQueen and Ted Boyle of Springfield and Keith Peabody of Jacksonville.

Chapin Team Wins Morgan Softball Tourney Friday

Chapin.—Chapin grade school softball team edged Litterberry 3-2 in a well-played finale of the Morgan county grade school tourney here Friday afternoon.

Semi-finals were staged Friday morning, with the hosts eliminating Waverly, 4-0, and Litterberry noosing Alexander, 9-7.

Officials for the games were Charles Grigg, Paul Blakeman and Junior Medlock.

Clifford Hess, chairman, Orville Bullard, Thomas Davis, Ruth McDonald, Jane Murgatroyd, David Orchard, Charles Strubbe and Lou Emma Deane served on the softball committee.

NFL Official Urges Reprimand Of Redskin Owner

Pittsburgh, Oct. 15.—(P)—Two prominent national football league officials were ready to quit unless owner George Preston Marshall of the Washington Redskins is disciplined for post-game actions here.

The Pittsburgh Sun-Telegraph and the Pittsburgh Post-Gazette said the threat was made by Judge Samuel Weiss, deputy league commissioner, to Commissioner Bert Bell.

"All I will say is that I put a complete and detailed report in his (Bell's) hands," Judge Weiss said. He refused to comment on the reports that his letter contained a threat to quit.

Commissioner Bell said in Philadelphia that "it isn't true that Weiss issued an ultimatum or threatened to quit."

He added that Weiss is "working next Sunday."

Michigan Purple Clash Being Called 'Game Of Year'

Ann Arbor, Mich., Oct. 15.—(P)—They're calling Saturday's all-important Northwestern-Michigan collision college football's "game of the year" in these parts and there's no doubt it has all the earmarks.

If there's college football this one looks like the McCoy.

Both teams, undefeated in three starts, stand ready to use every weapon gunning for a common aim—the Big Nine title.

Northwestern hasn't won the coveted crown in 12 years. Michigan, defending it, has ambitions of becoming the first team to take it two years in a row since Minnesota won with undefeated records in 1940 and 1941.

Both are eyeing the Wolverines' fabulous winning streak of 17 straight games, Michigan intent on extending it, Northwestern on ending it.

Both teams are jam-packed with proved campaigners from 1947. Northwestern with 29 holdover lettermen and Michigan with 25.

They have identical strengths—stout defense, good passing, smashing alert linebacks, balanced attack—and no notable weaknesses in sight.

Northwestern's line has yielded only 345 yards from rushing in three tests. Michigan is unscathed on with the single exception of a Michigan State pass in the opening game, caught simultaneously by a player of each team in the end zone and ruled complete.

Both teams are completely convinced they possess the finest pair of linebacks in the business, Alex Sarkisian and George Sundheim for the Wildcats and Dan Dworsky and Dick Kemphorn for Michigan.

Big Nine Football Offers Saturday's Top Attraction

New York, Oct. 15.—(P)—For the second straight week, Big Nine conference football furnishes the country with the top game of the day (Saturday) as the season settles down to intra-league rivalries and the annual mid-October push toward sectional and national honors.

Although the campaign is not yet half completed, the Big Nine title may be all but decided at Ann Arbor, where Northwestern and Michigan collide in the only game of the day involving two major unbeaten, untied teams.

The only other Big Nine team without a defeat in conference play is Indiana, which entertains Ohio State in another contest on that loop's full slate. Illinois invades Minnesota and Purdue goes to Iowa for other Big Nine games, while Wisconsin meets a visiting Yale team in one of the few intersectional tilts on the day's program.

Southeastern Features

In the Southeastern conference, unbeaten Mississippi, the defending champion, visits Tulane and Georgia Tech, an unbeaten favorite to dethrone Ole Miss, will be at home against underdog Auburn.

A crowded day also is carded in the Southern conference with a favored North Carolina, currently rated the nation's No. 1 team, and Maryland, only major eleven with its goal line still uncrossed, risking perfect records.

North Carolina entertains North Carolina State, whose defensive record tops the country, and Maryland moves into Washington, D. C., to tangle with Duke, unbeaten but tied twice.

Although most Ivy league teams meet outside opposition, one of the season's highlights in that circuit brings unbeaten Pennsylvania face to face with Columbia in New York. Army meets Harvard.

Missouri, fresh from an upset of Southern Methodist, visits down-trodden Navy.

Once-tied Baylor, only unbeaten team in the Southwest conference, steps out to entertain Texas Tech, but three games inside that circuit find Arkansas at Texas, Southern Methodist at Rice and Texas Christian at Texas A. and M.

California, winner of four non-conference starts, opens its bid for the Pacific coast title at home against Oregon State.

Oklahoma, upset conqueror of Texas, starts its Big Seven title chase at home against Kansas State. Colorado goes to Iowa State in the same league.

Games taking Oklahoma A. and M. to San Francisco, Arizona to Michigan State, Georgetown to Tulsa and Utah State to Wichita round out the slim intersectional program.

George McQuinn Given Release From Yankees

New York, Oct. 15.—(P)—George McQuinn, 37-year-old first baseman, was given his unconditional release by the New York Yankees today.

McQuinn was picked up as a free agent at the start of the 1947 season and his fancy fielding helped the club win a pennant and the world series last year. This year he was a regular until mid-season but was on the bench most of the last half of the campaign.

Casey Stengel, newly named manager of the Yankees, said today that Chuck Dressen, a coach under Bucky Harris the past two seasons, had been given permission to dicker with another major league club regarding a job.

BUCKY HARRIS TO MANAGE TIGERS

New York, Oct. 15.—(P)—The Daily News said tonight Bucky Harris will manage the Detroit Tigers in 1949 if owner Walter O. Briggs "gives his okay."

Staff writer Joe Trimble said Walter "Spike" Briggs, Jr., son of the Detroit owner, "has convinced his dad that a change in field leadership is necessary."

Feitshans Massacres JHS 40-0 In Loop Game At Springfield

Springfield.—(Special)—Losing the services of Charlie Runkel, line stalwart, and Stan Spotts, workhorse back, in the first minutes of play, the Jacksonville high school Crimsons were completely overwhelmed here Friday night by the Feitshans Flyers. Although the visitors showed occasional offensive sparks, they failed to score a touchdown for the first time this season and dropped the Central conference test on Springfield high school's field 40-0.

Apparently completely flustered after the loss of their field captain, the Crimsons quickly succumbed to the Flyers' powerful attack, which was getting into full gear again after a series of crippling injuries.

One JHS Drive

Only once, in the third quarter, did Jacksonville give visiting fans anything to cheer about. The Crimsons racked up four first downs before being stopped on the Flyer 5.

The remainder of the time the Feitshans players were taking turns pulverizing the Jacksonville defense with crushing runs.

Melton tallied first, going 30 yards around end. He picked up the extra point on another run.

Walker was forced to kick from his own end zone after the Flyer kick and the ball sailed only to the 15. Melton got another tally on the next play. He went over center for the extra.

Another Touchdown

Pendleton and Dentio combined for the next marker. Dentio going over for the counter and the extra point after a steady march. A 42-yard run through the J.H.S. line by Pendleton accounted for the fourth touchdown. He kicked the extra point.

Jacksonville held the hosts scoreless in the third period, but yielded two more six-pointers in the final stanza.

A bad center into the Jacksonville end zone was recovered for a touchdown early in the fourth.

Cox scored the final tally on a 13-yard end run after a short march. Kicks for the last two extra points were blocked.

Walker Takes Over

Johnny Walker, freshman fullback, took over the J.H.S. team after Spotts left the game and impressed the visiting coaches with his passing, punting and play-calling. He got off several good boots. Bruce Samore, another second team back, chalked up several good gains.

Spotts suffered a bad cut on his left eye-lid. Several stitches were taken and he will miss at least the Jacksonville game next week.

Runkel's knee, injured previously, was hurt again.

Greenfield Knocks Roodhouse 46-14 In Ivy Surprise

Greenfield.—(Special)—Coach Don Luketich's Greenfield football team dropped a mild bombshell in Illinois Valley conference ranks here Friday night by blasting Roodhouse 46-14 in what was picked to be a tight ball game.

Leading 14-7 after one quarter, Greenfield continued to score freely and pile up the surprising margin.

Roodhouse drew first blood as Ballard climaxed a long drive by plunging over from the two. Scott ran for the extra point.

Greenfield recovered a fumble on the Roodhouse 23; two plays later Owens went over from the 5. Owens ran for the extra point.

After the ball had changed hands several times, Tucker went over for the hosts from the five. Owens went over center to add another point.

A 45-yard run by Cockran, Nick's short sprint, an eight-yard run by Owens, Cockran's 13-yard dash for pay dirt and another short punch by Owens, all resulting in touchdowns, turned the tilt into a rout. Extra points were added by Tucker and Owens.

The Railroaders counted once in the third chapter when Scott passed to Benner. Scott got the extra point over center.

The Loves of Carmen
By SOPHIE KERR
Copyright, 1948, NEA SERVICE, INC.

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, falls victim to the charms of the bewitching gypsy, Carmen. His helpless infatuation leads him into a sword-fight with his commanding officer and the gypsy woman, Pablo, and Remondado. Another member of the band, Dancaire, is in town to get their leader, Garcia, out of jail. Carmen explains to Jose that they live by smuggling and robbery. Murder is sometimes incidental. Jose, shocked and dazed, says there'll be no more of that for Carmen when she becomes his wife. Carmen appears to acquiesce. The sound of horses and shouts is heard.

XVII
THE shouts of the men welcoming two new arrivals introduced Garcia, the bandit leader, who strode toward the fire, boisterous and masterful. He was an enormous man, well over six feet four inches, heavy-boned, broad-shouldered and dark-skinned—an evil-looking gypsy, with the prowling, arrogant grace of a tomcat.

He was in command of that group because his presence made him leader and he spoke as a leader, with sharp orders. "What a ride! Pablo, take care of the horses. What's in the pot? Remondado, get me something to eat. Carmen, come here. Show these ruffians how glad you are to have me back."

The two bandits hurried to obey instructions. Carmen walked slowly toward Garcia, and he seized her, lifting her off the ground, and kissed her brutally, crushing her to him. "Ah, how I thought of you. Every night I said to the jailer: 'My Carmen is the most beautiful woman in Spain.' And he said to me: 'Go to sleep, you filthy brute, and dream about her.'"

He held her high, laughing exultantly. "And I did—I did—I did!"

Carmen laughed aloud at his boisterous excitement but in the background Don Jose rose slowly, stunned at what he saw.

Remondado brought Garcia a bowl of stew. He took it, sat down on a rock and pulled Carmen down beside him, and as he did so, he dimly saw Don Jose. "Who's that?" he demanded.

Remondado said, "He's a hero. He killed a colonel of the Dragoons last Thursday."

Garcia approved that much but he asked, "What's his name?"

Pablo introduced them, making the title sound like an insult. "This is DON Jose."

"DON Jose—a gentleman?" Garcia shouted across to him with a broad gesture, "Welcome, Senor."

JOSE did not reply. He could only stand and wait for self-control.

"What's the matter with him?" Garcia asked blankly.

The Pablo whispered a word into Garcia's ear, and Garcia stopped eating, looked at Don Jose and then at Carmen. He threw his head back and laughed a raucous, insulting laugh. "I am lucky. Outside my stomach, nothing makes me sick," he said and spat a bone from his mouth.

Carmen got up angrily and walked away. Garcia looked after her with a broad smile and shouted, "Don't go too far."

another man's life doesn't mean much to him.
"But—"
"He's her husband, Navarro," Dancaire said quietly.
Jose stared at him unbelievably. "Her—husband—"
"That's right," Dancaire said, and he continued on toward the stewpot.

HOURS passed before the camp fell to rest but Don Jose could not sleep. He lay on the high ground 20 yards away from them, separated by boulders which were but slight separation to a man who, such a short time ago, had been separated from men like these by a chasm of civilized time.

The night was very clear. The stars were high and bright in a cloudless sky. Had he wanted to look, he could have seen a great deal of the beauty of Spain falling away out of the mountains toward a warm sea, but he did not look.

He was retracing in his mind the painfully simple steps that had led him to this rocky darkness. If they had been intricate steps, if everything that had happened to him had happened with blinding swiftness, leaving not a moment to permit him to choose and decide, then it would not have been so bitter, he thought. But each move was cut like a mosaic in his mind, each scene was clearly dramatized in the detail of his memory.

Not only was his honor gone but at the sound of three words that could never be recalled, Carmen too was gone. The three words rang in mocking, frightening echoes in the depths of his mind, the words of Dancaire—"He's her husband."

He heard, within his mind, Andres' sobbed indictment. He knew that she was evil but he knew in a surging, sharp, ascendant way that she loved him, and this relieved the guilt in his soul. But though guilt was gone, he was left with despair and dishonor.

Not only was his honor gone but at the sound of three words that could never be recalled, Carmen too was gone. The three words rang in mocking, frightening echoes in the depths of his mind, the words of Dancaire—"He's her husband."

He heard, within his mind, Andres' sobbed indictment. He knew that she was evil but he knew in a surging, sharp, ascendant way that she loved him, and this relieved the guilt in his soul. But though guilt was gone, he was left with despair and dishonor.

NEW INTERNATIONAL MEDICAL GROUP FORMED

Bale, Switzerland—(P)—More than 50 specialists in internal medicine from 19 countries met here recently to set up an international association for the mutual exchange of information on the treatment of internal diseases.

The specialists' three-day meeting was called on the initiative of Dr. Nanna Svartz of Stockholm and Dr. Alfred Gigon of Bale. The meeting formally established the "International Association for Internal Medicine" with headquarters in Bale.

Dr. Gigon and Dr. Svartz were elected president and vice president. Dr. L. Juswin-Besancon of Paris, Dr. H. E. A. Boldero of London and Dr. J. C. Diaz of Madrid were elected to the executive committee.

The new organization is to hold the first international congress for internal medicine in 1950.

A. A. U. W. Opens Fall Season With Supper, Hears H. Gary Hudson

The major thesis of the report of President Truman's Commission on Higher Education is that very large numbers of the population of our country could benefit from a college education but lack sufficient funds, said Dr. H. Gary Hudson, president of Illinois College, in an address given last night at the fall supper meeting of the Jacksonville branch of the American Association of University Women. More than 125 women attended the meeting held at the Congregational church.

Dr. Hudson, in analyzing the commission's report, described two of the six volumes covering the findings of the group in which the objectives of higher education and plans for financing education were outlined.

Higher Education No Panacea
The report has many noble sentiments and aspirations but sober reflection of its imports checks one's first enthusiasm, said Dr. Hudson. "Is it a function of higher education to be a major means of re-modeling society? The report gives the idea higher education is a panacea for everything, that college education with government money will solve all problems."

"It is a fine idea to remove economic, racial and religious barriers to education, but I question the methods, particularly extravagant scholarships by the government. It is impossible to receive money from federal government without federal control."

In conclusion the speaker quoted an analysis of the report, published in the Saturday Review of Literature which stated that the commission vastly exaggerated the number of students who will attend college in the future, which seemed to presume that education is acquired only by prolonged internment in college classrooms and that leadership is lost by not attending college.

Mr. and Mrs. Hart Celebrate 43rd Wedding Date

The forty-third wedding anniversary of Mr. and Mrs. Walter L. Hart of 913 Cox street was celebrated with a family dinner at their home on Tuesday, Oct. 12. Twelve guests joined the couple in observing the anniversary.

Mr. and Mrs. Hart have always lived in Morgan county. They were married Oct. 12, 1905, by Justice Reed in this city. While they do not have children of their own, they reared several adopted children in their home, two of whom, Mrs. Otis Keefe of Peoria and Mrs. Orville Shoemaker of Chandlerville were present for the family dinner.

Mr. Hart has been employed by the City of Jacksonville for some years. At present he is doing relief work at the two disposal plants.

Appoint Blodgett To National Group

Washington, D. C. — Darrel R. Blodgett, superintendent of schools, Jacksonville, Ill., has been appointed a member of the resolutions committee of the American Association of School Administrators for 1948-49. This committee plays a large part in determining the policies of the organization and in determining the practices of superintendents of schools of the United States.

Resolutions adopted at the 76th Annual Convention of the association included references to national security, the preservation of democracy through education, and world understanding.

Since there will be no national convention in 1949, resolutions will be prepared by correspondence and will be voted on by administrators of the association by means of mailed ballots.

171 Airports Mapped By State Department

A \$36,100,000 long range plan for development of Illinois aviation facilities was unfolded Friday by the state aeronautics department. The program, blueprint in a detailed engineering study, proposes a system of 171 airports by 1970. It recommends establishment of 467 visual route markers throughout the state to assist noncommercial airmen, as well as other flying aids.

Omitted from the survey's scope were the East St. Louis, Chicago Metropolitan and Moline-Rock Island areas. The department said needs of these three districts will be incorporated later.

Construction of 39 proposed new airports, added to the 132 existing installations, would be required to reach the recommended total.

Of those airports now in service, the program calls for major expansion of 18 and improvements at 86 others.

Expenditure of \$27,000,000 by 1955 and the remaining \$9,100,000 during the following 15 years was recommended to implement the program.

Seven Passengers Slightly Injured In Auto Crashes

Two automobiles owned by Jacksonville residents landed in the ditch of U.S. 36 east of Alexander at approximately the same time Friday evening, around 7 p.m. The cars were considerably damaged, but none of the seven passengers were seriously injured. All received cuts and bruises and several required medical attention, but were later permitted to leave the hospital.

Richard Potter, 936 Edgemoor road, was returning to Jacksonville, when an eastbound automobile forced him off the road. The Potter car upset and landed on its roof. The driver was able to crawl out of the car. He was treated for minor injuries at Passavant hospital.

A few minutes later and two miles further east an automobile drove eastward by Venus Buster, 231 Howe street, left the pavement due to a claimed faulty steering mechanism. The car landed on the south side of the road.

The passengers were Elden Castleberry, JoAnn Duncan, JoAnn Winstead, Frances Wolfe and Farrell Mitchell. The group was en route to Springfield to see the Feisthans-Jacksonville football game.

Sheriff Ralph R. Bourn and Deputy Roach and Andrews investigated the two accidents.

Men Of Woodson Christian Church To Give Service

The Woodson Christian church will observe "Laymen's Sunday" tomorrow morning with the members of the church board in full charge of the service.

The program will include: Call to worship, Lawrence Fisher; invocation, Charles Riggs; meditations, and Lord's prayer, Herbert Owings; offertory, Ball Fitzsimmons; announcements, Harold Sooy; responses, Gene Way; prayer, William Fanning; special singing, men of the church.

Nellis Crain will give the scripture reading and the message to the children; William Slater will deliver the general message and Russell Mason will pronounce the benediction.

The elders and deacons of the board will serve the Lord's Supper. The pastor, the Rev. A. D. Hermann, baptized three applicants at last Sunday's services. Eight additions to the church were received as a result of the evangelistic meetings conducted by the Rev. Roy S. Hulan.

The church will celebrate its annual homecoming on Sunday, Oct. 24. The committee in charge of arrangements consists of Ellis and Myrtle Crain, William and Gladys Fanning and Ball and Edna Fitzsimmons.

Individual books of the Bible are being studied at the Wednesday evening study periods held at the church. A recreation hour for school children is held in the church basement every Monday immediately after school.

V.F.W. Auxiliary To Give Bazaar

The regular meeting of the V.F.W. auxiliary was held Wednesday evening at the V.F.W. home with president Ivel Smith presiding. Neta Belle Morris gave a report on the rummage sale held Wednesday afternoon and the group discussed plans for the bazaar to be held in November.

Anna Young announced that the next county council meeting would be held Nov. 14 in Jacksonville. It was decided that the winter meetings would begin at 7:30 p.m. Betty Lewis and Betty Geist were appointed by the president to fill the color bearers chairs vacant by Dolores Walker and Inez Putnam.

The birthday party for the month was for Margaret Cashion and the attendance prize was won by Betty Lewis. Frances Brennan, assisted by John McCrory and Margaret Cashion, was in charge of refreshments. The bunco and pinocle party will be held Oct. 21.

Four Day Mission At Sacred Heart

Franklin—A four-day Mission will be held at the Sacred Heart Church, beginning Sunday, October 17th, and ending on October 20th. It will be conducted by Fr. Stephen Latchford of the Paulist Order, Chicago. Services will be held at 6:30 and 8:00 each morning and at 7:30 each evening.

The Mission will be opened at the 7:00 o'clock mass on Sunday morning, and the Blessed Sacrament will be exposed for Adoration all day Sunday until the services in the evening.

The public is welcome to attend—especially the evening services.

Duck Shooting Season To Open Next Friday

Central Illinois gunners are awaiting the 1948 waterfowl shooting season, which opens at noon on Friday, Oct. 23. Hunters of Illinois, especially those in the lower Illinois valley, are hopeful the season will be better than last year. But they're afraid it will be just as poor.

Duck enthusiasts of the Mississippi river expect much better shooting this year. The river stage has been relatively high during the summer and there is considerable vegetation close to the water's edge, just the kind of spot a duck likes to work.

The advance guard of the different species of ducks have already checked in, and out, in the annual fall flight. Sizeable flocks of mallards, sprigs and teal are in the Illinois valley. But the river stage has been low throughout most of the year and long stretches of mudbanks separate the water from the growing vegetation.

Some privately owned and developed areas have controlled their water this year. Those spots are apt to have good shooting during the season. But their neighbors are apt to kill more time than ducks.

Baiting and the use of live decoys are prohibited. Daily limits are four ducks, including not more than one wood duck, and four geese or brants, including either two Canada geese or two white fronted geese, or one of each.

All hunters must secure a federal duck stamp available at the post-office. The fee is \$1. The permitted hours after the first day are one-half hour before sunrise to one hour before sunset. The season closes Nov. 27.

Mrs. Ella Merris Of Bluffs Marks 83rd Birthday

Bluffs—Mrs. Ella Merris celebrated her 83rd birthday Sunday. Her daughter, Miss Zeta Merris of Chicago spent the week-end at home. Mrs. Merris is the only Bluffs member of St. Patrick's church now living who was here when the structure was built in 1871. The birthday observance was very quiet with her children, Zeta, Charles and Donald, at home.

The Bluffs Civic club met in regular session Monday evening with a dinner served by the Junior Women's club. M. F. Fuller, administrator for Unit School District No. 1, talked to the club on the progress and problems of the reorganized school district in Scott County. The Bluffs School Superintendent, O. C. Thomas, was also a guest of the club.

Joseph Post was taken to Passavant hospital Monday evening in the Bates ambulance.

Charles N. Burrus Services Sunday In Arenzville

Arenzville—The remains of the late S/Sgt. Charles M. Burrus are scheduled to arrive in Beardstown at 11:30 a.m. Saturday on the B. & O. train, No. 41, according to word received Friday by Fred Cline of the Cline Funeral Home.

Sgt. Burrus was stationed at Ba-taan on Dec. 7, 1941 and was listed as missing in action on May 7, 1942. Official confirmation of his death arrived in May, 1944.

He was the son of Mr. and Mrs. F. H. Burrus, 511 East 7th street, Beardstown.

Military funeral services will be held Sunday afternoon at the Arenzville Methodist church, with the Rev. Robert Pitsch officiating.

Friends may call at the Cline Funeral Home from 7:30 to 9 p.m. Saturday.

Garlich To Speak On Soil Erosion

Farm Adviser E. H. Garlich will be the speaker at the Thursday night meeting of the Woodson Community Men's club. He will illustrate his talk on soil erosion with movies and picture slides depicting this nation's loss of its soil resources.

The supper will be held at 6:30 p.m. at the Christian church. The committee in charge of arrangements consist of Ormand York, Ball Fitzsimmons and Dale Blimling.

Earl Hembrough is president of the club and the Rev. A. D. Hermann is the secretary.

CHAPIN AUTO STOLEN HERE YESTERDAY

Red P. Wilson of Chapin reported to Jacksonville police Friday afternoon that his dark green 1948 Buick sedan was stolen from its parking place on North Clay avenue near E. State street sometime between 1 and 4 p.m.

The report was placed on the state highway police radio net work, but the car had not been recovered late last night.

450 Persons See Junior Woman's Club Style Show

The bridge and style show sponsored by the Junior Woman's club Friday night at the David Prince gymnasium was attended by an estimated 450 people.

Mrs. Robert Herr and Mrs. Lynn Ferguson acted as bridge co-chairmen; while the Mesdames Mildred Zeller and Bayard Hopper served as co-chairmen of the style show. Mrs. Robert Hamm furnished the background music, and Mrs. Dorothy Perkins was mistress of ceremonies.

An assortment of dresses, suits, coats and evening wear were modeled by Mary Hopper, Mildred Zeller, Helen Heavner, Hazel Stice, Marjorie Profit and Nadine Massey. Clothes were shown from the Haigh shop, Lukeman's, Altman's, Kline's, Kilham's, Waddell's, the Emporium, Myers Bros., and the Mirror Shop.

The bridge and style show sponsored by the Junior Woman's club Friday night at the David Prince gymnasium was attended by an estimated 450 people.

IVC To Assist Next-Of-Kin To Get Gold Stars

The Illinois Veterans Commission announced Friday it would assist next-of-kin of men who died in service in World War II to apply for the Gold Star lapel button.

Eligible to receive the official Gold Star button are the next-of-kin of veterans who died in service between December 7, 1941 and July 23, 1947. The buttons are issued by the federal government.

Widows, widowers, each parent and step-parent are being given one button without cost. Children, step-children and brothers and sisters may obtain the button at cost price. Application blanks now are available at all offices of the Illinois Veterans Commission. In Morgan county the IVC office is located at 6-7 Morrison Block, in Jacksonville.

Gertrude Everett Dies In DeKalb; Services Sunday

Waverly—Miss Gertrude Everett, 63, died at 1 p.m. Friday morning at the home of her sister, Mrs. Howard Gould in DeKalb. She had been ill for several months.

She was born on July 21, 1885, the daughter of Mr. and Mrs. E. C. Everett, near Waverly, and spent most of her life there.

Before her death she had served as secretary to the head of the histology department of the Dental College of the University of Illinois, in Chicago.

Surviving are her mother, a sister, Mrs. Gould, and a foster brother, Floyd S. Dossett of Waverly. Funeral services will be held at the Congregational church in Waverly at 1:30 p.m. Sunday, with the Rev. A. M. Alciner officiating. Burial will be in the Waverly cemetery.

The remains will not be brought to Waverly until time for the services.

Lucas To Speak At Jerseyville

Jerseyville—Democratic headquarters here announced Thursday afternoon that U. S. Senator Scott W. Lucas will be the featured speaker in a rally in Jerseyville the evening of Saturday, October 23rd. The meeting is the only one scheduled thus far in the Twentieth Congressional District where Senator Lucas will appear as a speaker, and plans call for attendance by Democrats from all over the district as well as Jersey county.

Announcement of the engagement of Senator Lucas as principal speaker for the rally was made Thursday afternoon by Howard Manning, chairman of the Jersey County Democratic Central Committee.

In addition to Senator Lucas, various district candidates will be present that evening, Manning stated.

Rheumatic Fights Off Intruder

Littleton, Ill., Oct. 15—(P)—Roy Khroe, 40, is so crippled by rheumatism he can hardly walk, but he was more than a match for a masked man who tried to rob him of a pocketful of cash.

Khroe was alone last night in his gasoline station east of Littleton, in Schuyler county. The masked man entered, knocked him down twice, and searched him—all but the right trouser pocket, where Khroe had his money.

Then Khroe scrambled to his feet, slugged the intruder with an empty bottle, tipped off his mask, and chased him out the door.
